

POLE TESTER
Summer: April – August

EQUS REA LTD. owns and operates the power lines that delivers electricity to commercial and industrial developments, oil and gas operations, telecommunication towers, production facilities and farms throughout 26 Alberta municipal districts and counties. As Canada's largest member-owned utility, we work together to produce savings for our 11,800+ members, not profits for shareholders. We are also active in the communities we serve, supporting local groups and initiatives.

EQUS – Delivering More Than Power.

EQUS is seeking summer Pole Testers. Pole Testers are responsible primarily to complete all pole testing for the test year (May –August), subject to availability of work. If pole testing is completed prior to August 31, there may be an opportunity to perform additional duties until August 31.
